**Construction alert**

**To arrive on time, please leave early!** Construction on the city’s new light rail system has made a mess of this part of town, so traffic will be very slow — especially for the morning workshop. For the latest detours & construction updates, check this website:

**Parking**

**Paid parking is available at the indicated lots.** These lots allow parking all day, so you won’t have to move your car during the workshop. \$2.25/hour or \$10.75 daily maximum. The machines accept credit cards.
