All workshops held at:
Communitech Hub
Roddenberry Room, 3rd floor

⚠ Traffic alert

Construction on Kitchener's light rail system is mostly complete, but traffic volume can be heavy downtown. Please leave enough time to arrive, find parking, and get to your workshop before it begins. We'd hate for you to miss anything!

Ⓟ Parking

Paid parking is available at the indicated lots. These lots allow parking all day, so you won't have to move your car during the workshop. $2.25/hour or $10.75 daily maximum. The machines accept credit cards.
